Select the sites you work at

- Select the sites you will be working at, you can always add more sites later
- Click Next

A screenshot of a mobile application interface. At the top, the text reads "Which facilities will you be working at or visiting?". Below this is a search bar with a magnifying glass icon on the left and a "Go" button on the right. Underneath the search bar is a list of three facilities, each with a location pin icon and a checkbox. The first two facilities, "Hudson Ranch" and "Patua/Soda Lake", have their checkboxes checked and are highlighted with a blue background. The third facility, "Thermo", has an unchecked checkbox. At the bottom of the screen, there are two blue buttons labeled "Back" and "Next", and a progress indicator consisting of five circles, with the third circle from the left filled in black.

- Review the data, click back if you need to modify anything.
- If everything is accurate, select complete registration.

Summary

Please review the information below. Click the **Back** button to make changes. Click the **Complete Registration** button to complete the registration process. You will be automatically logged into the system where you may:

- Launch assigned training
- Print a completion certificate once training is complete by clicking the printer icon

Be sure to make a note of your username and password so that you can log in any time to complete training if you do not want to complete the training today.
